Subject: **GCSE Music** **Year Group: 11**

Term One

Students to research and begin their externally assessed composition (Unit 2). Pupils have 20 hours to complete this. Students continue to develop their performance skills through a weekly instrumental lesson with a specialist tutor.

Term Two

Students continue with their Controlled Assessment through the composition of a piece in any style of their choice (Unit 4). Pupils have 25 hours to complete this. Students complete an appraisal of their first composition under exam conditions.

Students complete their Controlled Assessment with the recording of one solo and one ensemble performance towards the end of the spring term.

Term Three

Students complete intensive revision and Practise Papers in the weeks prior to their final exam.
