Dear Parents and Carers

Welcome to the weekly newsletter.

Year 11 continue to have mock exams next week. Please continue to encourage them to revise and use the time at weekend and in the evenings to prepare. This level of preparation needs to continue over the next 5 months if they are really to achieve their best in the summer exams.

On January 25th, Blackpool and the Fylde College will be having a Twilight Taster Event for Year 11. This will take place between 4.30 p.m. and 6.00 p.m. Please see the attachment for the QR codes which will take you to the booking site for either the Bispham or Blackpool school of Arts Campuses.

Year 9 will soon begin their options process with assemblies and inputs from staff to help them choose their GCSE courses. The options evening will take place on Thursday 23 February so please put that date in your diary.

Year 8

Thank you to Parents and Carers who attended the Parents' Evening via School Cloud yesterday. I hope you found it a useful evening.

Year 10

Parents' Evening is via School Cloud on Thursday 26 January. Details will be sent to Parents and Carers during the course of next week.

Andrew Tate

There is a great deal in the news currently about Andrew Tate who has been arrested in Romania. His extreme views have been banned from several media platforms including YouTube, Facebook, Instagram and TikTok. Unfortunately he is getting a great deal of attention from young people which is raising a lot of concern. As a school we have a responsibility to address these misogynistic and extreme views but I would ask you to be vigilant at what your children are accessing on social media and to talk with them if they are looking at anything to do with Andrew Tate.

Personal Protection in Sport

Please remember that students are encouraged to have the following equipment:

- Rugby : mouth guard and scrum cap
- Football: shin pads
- Hockey : shin pads and mouth guard

Many congratulations to all those students who have been recognised in the Celebration Assemblies this week. It is really good to see so many students getting it right and being recognised for this.

Yours faithfully

Mr A Waller
