CARR HILL HIGH SCHOOL

Commitment Aspiration Resilience Respect

Dear Parents & Carers

On Wednesday we said good bye to our Year 11. They have had two very disturbed years of learning but they worked very hard overall during these last couple of months of assessment and it was lovely to be able to see them relax and enjoy each other's company now that the assessments are over. Staff are now working hard on finalising the teacher assessed grades which will go through a rigorous moderation process before grades are submitted on June 18th. Results Day is August 12th. We wish all our Year 11 well for the future, thank them for their contribution to the school and encourage them to use the next few weeks to engage with the transition materials for the colleges which will be sent out immediately after half term.

There is clearly an increase in the number of Covid cases in the area and testing at home remains important. Please find attached a letter from the Director of Public Health in Lancashire. Please continue to do the lateral flow tests over half term and report results, especially if there was to be a positive result. The report results will be checked so that we can see if any action needs to be taken over the break in terms of informing other students to self isolate. Please do test on Sunday June 6th and do not send your children if there is a positive result or if they are showing symptoms.

I would be very grateful if you could check your sons and daughters equipment over half term so that they return with a full set of everything needed for learning and also check uniform. As I always say at holidays, please do not let them do anything, especially regarding piercings or hair which will cause a problem when we return.

Free School Meal vouchers should be with you in the next couple of days if your child is in receipt of free school meals - £15 per child for the week.

I am very pleased to announce that following interviews this week, we have a new team of senior students and deputies from current Year 10 for the next 12 months. We will put their photographs on the website after half term

Senior Students: Fin and Paighton

Deputies: Edward, Josh, Olivia and Katie

It looks as though we may finally get some sunshine over the next few days so I wish all our students and staff an enjoyable half term break.

Best wishes

Mr A Waller
Headteacher
