

Subject: Art and Design

Year Group: 9

Term One

Pupils will use their understanding of skills and materials to design a new nameplate, which shows an understanding of modern graffiti lettering and various typographic styles. With an emphasis on personal identity the resto of the term will focus on the variety of skills and approaches to portraiture.

Term Two

Students will use formal and non-formal drawing techniques to support their contextual understanding of portraiture. They will have an opportunity to generate a creative body of work lead by specialist staff.

Term Three

In the concluding term of KS3 Year 9 students will use their prior knowledge, skills and understanding to generate a personally inspired outcome. They will explore further and in more depth the possibilities and opportunities available to them in the creative industries. Many students will use this final term as an opportunity to being preparations for their GCSE course next academic year.
